

Disability Network Hounslow Annual Membership and Donation Form

DNH is the borough's only member-led, pan-disability charity offering, specialist information, advice, advocacy & support services for disabled people, carers and their support networks. It exists to relieve the experience of disability and create an inclusive environment for all disabled people. It improves lives by helping service users gain independence, freedom of choice and opportunities for full participation in the community: opportunities that their able bodied peers take for granted.
